### Legendary Iditarod Photographer Passes

The IDITAROD Sled Dog Race has lost a very talented and dedicated friend. On August 3<sup>rd</sup>, Jim Brown passed away in Palmer, Alaska at the age of 91. Jim was described as a consummate photographer who shared his love for the “Last Great Race on Earth” and sheer beauty of the Iditarod Trail with millions of race fans from around the world.

Today, we mourn the loss of one of Alaska's legendary photographers.
